

HOW TO MAKE BUTTER

MATERIALS

- HEAVY WHIPPING CREAM
- JAR WITH LID
- CLEAN MARBLE (OPTIONAL)

1. TAKE THE JAR AND PLACE THE CLEANED MARBLE INSIDE— IF YOU DO NOT HAVE A MARBLE THIS PROJECT WILL STILL WORK THOUGH MAY TAKE A LITTLE MORE TIME TO COMPLETE
2. POUR HEAVY WHIPPING CREAM INTO THE JAR
3. SECURE LID TIGHTLY
4. SHAKE JAR! IF YOUR JAR IS GLASS KEEP IN MIND THAT IT IS FRAGILE AND MAY BREAK IF NOT CAREFUL
5. LISTEN TO THE MARBLE BOUNCING AROUND THE JAR— IF YOU DO NOT HAVE A MARBLE SIMPLY SHAKING THE JAR WILL GET THE SAME RESULTS

6. AFTER YOU CANNOT HEAR THE MARBLE MOVING ANYMORE YOU'RE GETTING CLOSE BUT KEEP SHAKING! YOU WILL SOON SEE THE BUTTER BEGIN TO TAKE SHAPE

7. IF APPLICABLE, FIND AND REMOVE THE MARBLE

8. PLACE CONTENTS INTO A STORAGE CONTAINER AND ENJOY YOUR HOMEMADE BUTTER!
